April 2017

Dear SBIA Member,

Throughout the off season the Board has been busy planning for the upcoming summer. As the temperature begins to warm we thought it a good time to share with you news and updates for summer, 2017. Enclosed you will find the following:

- Messages from the Beach, Membership and Activities Chairs;
- Boat rack program details;
- Membership and Volunteer signup forms;
- Beach rules reminder;
- Minutes from the Winter Board Meeting, and;
- 2017 calendar of activities.

First, I would like to update you on a few topics that are top-of-mind for members.

Harbor Dredging

Dredging of Wild Harbor was delayed by the Town, following the completion of a nourishment survey that verified the need to remove more sand than previously planned. An updated permit is required; approval is in progress. Thanks to the effort of Dennis O'Connell, the Town received permission from abutters to the town-owned beach parcel to store removed sand on their property. January 15 was the cutoff for dredging, until next fall. Dennis will continue representing our interests to the Town.

Boat Rack

The boat/kayak rack has been a popular topic for members. Therefore, we have defined a program -- to be rolled out this season -- to regain control of the rack and ensure equitable member usage. See enclosed flyer for program details. Thanks to Tom Malloy for spearheading the effort.

Club House

Last summer membership approved the Board to explore the feasibility of a clubhouse built on our tennis/basketball court property. At our May member meeting we will share the findings, gauge interest and discuss next steps.

Miscellaneous

Dues – the Board voted not to increase dues for any of our membership types.

Board vacancy – we are currently short one Board member coming into the season: Vice President. This is a critical role, helping steward many of the initiatives that benefit the membership. If you would like to learn about the role please contact me.

Traffic sign – the Town installed a 4-way Stop sign at the intersection of Silver Beach Ave and Arlington St. Thank you to Ellen Affanato and Bill Dynan for working with the Traffic Commission to get this approved and completed.

SBIA Store – look forward to new SBIA merchandise to be available this summer, as well as your favorites. Some new items we are exploring include: beach bags, beach towels, sun protective swim shirts, and more. Julie Rotondo will again lead our great team of store volunteers. Please email me with any ideas you have.

If you have questions please reach out to me at newsilverbeach@gmail.com. We always appreciate your thoughts and feedback! The Board is excited about the summer ahead and look forward to seeing you at New Silver Beach.

Sincerely,

David O'Keefe
President

MESSAGES FROM OUR BEACH, MEMBERSHIP, and ACTIVITY CHAIRS

Lifeguard Update -- Liz Cardiasmenos

We have hired six lifeguards for this summer. We are excited to have three guards from last year coming back: Sophie Barrow (Head Guard), Olivia Pappas and Meghan Fahy. Welcome to our three new guards: Lily Delaney, Carolyn Hanson and Will Hanson. The guards will start on Saturday, June 24. We would like to thank Jack, Tate and Ellie for their past service; they will be missed.

Liz Cardiasmenos (Beach Committee Chair) and Sophie are developing a swim lesson planner, which includes a curriculum progressing swimmers through each level. This will be a great asset we will leverage for many years. Swimming lessons will start 10:00 am each morning (Mon-Fri) with our littlest swimmers (ages 1 and up) and run every half hour. Members can sign up for lessons opening weekend. See the guards.

Membership Information – Sue Shouldice

- The **Annual Membership Form** is enclosed. Please return it to Ron Fernandes by June 15. We had 357 paid members last year – thank you for your continued support. The largest portion of our budget goes to pay the lifeguards, purchase insurance, and trash removal. For your convenience you can sign up online and pay via PayPal; visit our website at www.newsilverbeachassociation.org. There will be no increase in dues this year.
- Encourage young adults to take advantage of the **Junior Membership**. This membership is aimed at those adults who frequent the beach and participate in activities, but are not homeowners. Membership entitles you entrance to all social events, in addition to the benefits of enjoying the beach, swim lessons and the lifeguards.
- Please inform neighbors who do not belong to the Association of the many benefits of being a member. New Silver is a unique Cape community, beloved because of the condition of the beach and our engaged, social community. The Association works hard to maintain the beach and surrounding area, which increases the value of the homes in the area. It is in the best interest of all homeowners to help with this effort.

Member Activities and Events – Carolyn O'Connor Halloran

Enclosed is the calendar of events for 2017. Many of your favorites are back again this year, including: Illumination Night, Adult Social (Food Truck!) and the fishing and crabbing tournaments. Join your neighbors and friends at these fun events. See enclosed calendar for dates and times. Some favorites and new activities highlighted below.

- **Annual Cocktail Party: Saturday, June 24.** Reconnect with old friends and make some new acquaintances at the first social event of the summer. This year, Allison and Ryan Hutchins will host the event at their home, 3 Hunt ST. Please bring your favorite hors d'oeuvre or dessert. Starts at 7:00 pm.

Beach & Other New Silver Information

- ❖ **Beach Rules** (*enclosed*) Please post these rules at your home for guests and renters to see. Rules are aimed at making sure everyone knows the emergency and safety signals and maintaining cleanliness of the beach.
- ❖ **Lifeguards' attention:** Please remind your children not to climb on the lifeguard stands and not to monopolize the lifeguards' attention. The guards can chat with the kids on breaks, but they are there to ensure a safe and enjoyable environment for all on the beach.
- ❖ **Keeping the beach entrances in "good order:"** Beach goers may eat their lunch at the beach entrances, and still comply with the "no picnics or coolers on the beach" rule. It is important we keep a clear access to the beach for emergencies and for members to safely access the beach. Keep all bikes, strollers and wagons clear of the right of way. Also do not block the entrance to the neighbors' driveways at the Silver Beach Ave entrance. At the Ocean View Ave entrance, please be considerate when parking vehicles, leaving clear access. At both entrances, trash receptacles will be available. Please use them!
- ❖ **Dunes at Tennis Court:** Please do not put boats or kayaks on the dunes beside the kayak rack. This is an environmental issue aimed at protecting the dunes.

BOAT RACK PROGRAM

For a number of years, members have enquired about how to take advantage of the boat/kayak rack located to the west of the tennis court. So the Board has defined a program that will allow us to organize and manage the rack, for the benefit of you, our members. (Program guidelines are listed below.)

The first step in gaining control is to clear the rack and surrounding area of existing boats, to weed out abandoned and non-member boats. (We will do this June 24, 2017 during beach cleanup.) Members will have the opportunity to apply for a slot (*See Requesting a Rack Slot*) on the rack for the 2017 season, and have their boat placed back on the rack. In the event all requests can not be accommodated we will conduct a drawing to determine rack assignments. (We will also explore additional storage options.)

Program Guidelines

- Boats awarded a slot will be assigned a numbered decal specifying location on the rack. You will be entitled to the exclusive use of the assigned spot for the 2017 boating season
- Slots and decals will be awarded June 24, 2017; See instructions below to request a slot
- A \$15 annual fee will be charged per slot, to cover program and maintenance costs
- Decals must be prominently displayed on the end of the boat facing out, visible from the harbor side of rack
- Only 2017 paid members are eligible
- Rack will be monitored regularly during the summer; boats without a decal will be removed from the rack
- Rack accommodates kayaks, canoes and paddle boards; Masted sailboats and row boats not permitted
- Limited to one slot per household (we will consider additional household slots if availability permits)
- 2017 rack season: June 24, 2017 - November 15, 2017

Requesting a Rack Slot

The enclosed membership form includes a line item to request a slot. Simply check the box to the left of "Boat Rack Slot." Also, please check the box for the type of boat you are requesting a slot for (kayak/canoe or paddle board). Include your \$15 payment with your membership dues payment.

Membership form with boat rack request and payment must be received by mail or online by June 24, 2017 8:00 am EDT. All requests received by then will be entered into a drawing, held June 24, 2017. Slot assignments will be issued during the drawing, and decals distributed. If you can not attend the drawing you will be notified if you were awarded a slot. (Arrangements can then be made to receive your decal.)

A full refund will be provided for paid requests not awarded a slot.

For additional information and questions, please email Tom Malloy at: chumkid@msn.com.

Beach Rules for 2017

Emergency Signals

The lifeguards will use whistles in certain emergency situations. Please comply promptly with their request.

- **ONE LONG Whistle – ATTENTION**
- **TWO LONG Whistles – CLEAR THE WATER IMMEDIATELY!**

This has been necessary in the past when a small child is reported missing to the guards. The water needs to be immediately cleared so the water and beach area can be searched for the child.

Beach Rules

1. The beach is intended for use by SBIA members and their guests only.
2. Guards will be assigned from June 24 until August 27, or as posted. Daily coverage is from 9:30am until 5:00pm.
3. No dogs are allowed on the beach at any time of day per Town of Falmouth by-law.
4. No **alcoholic beverages** or glass containers are allowed on the beach.
5. No picnics or coolers allowed on the beach. Picnicking and lunches are allowed on the wall or on picnic tables near beach entrances. As a trial run we will be allowing snacks and sandwiches to be consumed provided that the trash does not become an issue. We will monitor this and reserve the right to change this rule if it becomes a problem.
6. Please remove all trash you are responsible for and place in barrels at beach entrances. Please place dirty swim diapers / diapers inside sealed plastic bags.
7. Keep off the jetties!!
8. No inflatable rafts or toys are allowed in the swim area. **THIS INCLUDES PADDLE BOARDS.** This is a safety issue in general with swimmers who get into situations that exceed their ability, made worse in certain wind and wave conditions.
9. Please launch all paddle boards adjacent to the fishing jetty.
10. Raft Rules: No pushing on the raft! No swimming under the raft. No use of floats to reach the raft. People not complying with raft rules may be banned from the raft. The raft may be closed if deemed necessary for safety.
11. There is no smoking allowed on the beach.

Annual Winter Meeting March 11, 2017

Location: Waterside Place 505 Congress Street, Boston, MA

Board Member Attendees: David O'Keefe, Michael McCarthy, Carolyn Halloran, Jill West, Amy Delaney, Jay Affanato, Michael Brown, Allison Hutchins, John Hasson, Tom Malloy, Liz Cardiamenos, Ron Fernandes, John Tarr

Topics:

1. Discussed member analysis that was done by Ron Fernandes. He analyzed people who paid in the past but are no longer paying. He also identified houses in our defined area that have not paid in the past, so we can communicate with those non-members. We also discussed addressing rental houses that are not members, yet are advertising membership benefits on rental property sites.
2. David provided update on the harbor dredging and what needs to be completed by the town to get the project started next fall. All property owners have approved placement of dredged sand onto their beach property.
3. Boat rack – reviewed letter that Tom Malloy wrote which outlines program to manage the boat rack, including process, cost to get sticker, number of spots, etc. Program to be finalized and communicated in membership mailing.
4. Board – VP position is still vacant. Discussed the importance to fill this board role. Additionally, discussed getting people involved to help with social media: sending weekly emails, and posting events and updates on our Website and social media.
5. Security Patrol – Discussed hiring security to do periodic nightly patrol, instead of relying on the police. Mike McCarthy to explore.
6. Budget – Reviewed 2016 financials and 2017 budget including dues. Board voted 13-0 to not raise the dues in 2017 and voted 13-0 to approve the budget.
7. Store – Discussed consistent store hours, staffing, and ability to pay via credit card. Discussed new merchandise ideas such as Tervis tumblers, beach bags, SPF swim shirts, beach towels and engraved beer & wine glasses.
8. Beach Committee – Liz went through a detailed plan for the lifeguards, talked about staffing (including returning guards) and schedule; Wages were approved as part of the overall budget.
9. Grounds Committee – discussed options for addressing seaweed on the beach and raking of the beach; Set date for beach cleanup and new equipment needed, including: lifeguard stands, megaphones and surfboards.
10. Events – Reviewed key annual activities and new ideas; Discussed options for Illumination night (to encourage more house lighting), format for adult social, location of the cocktail party, golf outing details and kids activities. Carolyn to draft calendar for review.
11. Clubhouse – David provided an update on what actions have been taken and next steps, in order to provide an update to members in May
